Mission Statement

Welcome to Miss Lucy's Kitchen. We are committed to serving fresh house made food using the finest produce from local farmers. We have a seasonal market menu that changes daily. All of our dairy, eggs, poultry and meats are local, all natural and hormone & antibiotic free. We serve only wild fish caught in an ecologically sound manner. Our pork products are smoked at Smokehouse of the Catskills in Saugerties using local hardwoods. Fresh herbs and many vegetables come from our garden. All of our desserts and ice creams are house made. We are lucky to be here in the Hudson Valley and are inspired by the bounty of fruits and vegetables each season has to offer.

Feel free to discuss any dietary issues with our staff. It is our pleasure to accommodate you. Here at Miss Lucy's Kitchen "we aim to feed".
